

# Creative Ways to Fundraise with ArtStamps

*Looking for ways to incorporate an ArtStamps fundraiser into your school or group's activity?*

## **Are you planning an art exhibit at your school?**

Create a virtual gallery at ArtStamps.com. Take pictures of all artwork and e-mail the files to us. We will upload all the images and make the artwork available to transfer onto any product for purchase.

## **Art project already completed?**

Use old or new pieces of art! Mail them to ArtStamps or scan and upload them directly to [www.ArtStamps.com](http://www.ArtStamps.com).

## **Having a Family Fun Night at your school?**

Encourage kids to draw and then upload all artwork to ArtStamps.com. Parents can visit the Web site to view the art or apply it to any of our memorable merchandise.

## **Does your school have a mascot or logo?**

Kick off your fundraiser by creating a cool new logo or design for your school or group. Put it on mugs, t-shirts, hats, or other products that can be sold as part of your fundraising efforts. If you don't have one, conduct a student art contest and post all entries at ArtStamps.com

## **Does your school have a theme or tag line?**

Encourage students to create a design to go with it. Upload the winning logo to ArtStamps.com for any students or parents to apply to items for purchase.

## **Do you have a mural in your building or a historic landmark?**

Take a photo and upload to ArtStamps.com. Transfer this image to over 500 products to continue building school or team spirit!

## **Upload your most memorable photos!**

From school field trips and picnics, to class pictures or candid — upload all your photos to your personal image library to share with others or imprint on any ArtStamps product.

**Go to [www.ArtStamps.com](http://www.ArtStamps.com) for lesson plans and fundraising ideas.**
